Dear M. Diego GONÇALVES SILVA,

PayCert has received a request, submitted by Perto S.A. Periféricos para Automação, your company, for the Certification of the Kernel product Libpure.so.1.0.0 (tested with VELOH v1.01), hereafter referred to as the Product and identified above as “VELOH PURE Kernel”.

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as PER.KER.218.2019-005B and we have assessed your Test Report (ref. C19REP00-107 v1.0), which was generated by FIME EMEA, following the *PURE Contactless Reader/Kernel Test Cases* version v1.4.

After assessing such file in the Certification Evaluation Report (ref. PURE/EVR/KER/2019-020 v2.0.0), PayCert has found reasonable evidence that the submitted samples of the Product complies to the *PURE contactless reader Specifications for PURE Dual-Interface Cards & Mobile PURE* version v2.1.8), hereafter referred to as the “Reference Specification”.

Certification Body : **PayCert**

PayCert hereby grants the Product Certification of compliance with the requirements stated by the Reference Specification, and will include your Product in the certified products list, published on PURE Certification website (www.pure-payments.com).

Please note that PayCert's Certification is subject to the following terms and conditions as listed hereafter:

i) If the Product is changed, Perto S.A. Periféricos para Automação must notify PayCert of this fact in writing. Any change in the Product that may generate a different behaviour with respect to the Reference Specification or a difference in the Product Implementation Conformance Statement will be considered a major modification subject to a new evaluation in order to maintain the present Certification.

ii) The Present Certification granted to Perto S.A. Periféricos para Automação for the above referenced Product is non-transferable to any other vendor.

iii) Under no circumstances does this certification letter include or imply any product or service warranties from PayCert, including without limitation, any implied warranties of merchantability, fitness for purpose, or non-infringement, all of which are expressly disclaimed by PayCert.

iv) The Present Certification is not an assessment of the product's security level or Level 1 compliance. It is the responsibility of the certificate's user to make sure the results of all assessments are still valid at the time of the product's approval or issuance.

The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.

Warning: The KERNEL does not implement the SelectNext command in compliance with the Specifications and, as a consequence, shall only be used in acceptance environments where the Candidate List will contain at most one entry (e.g. with contactless cards featuring only one AID). The Vendor shall inform the Acquirer of this limitation which is described in detail in the ICS (ref PER.KER.218.2019-005B).
